

2018-2019 UPHS Supply List

Below you will find most of the supply lists for UPHS courses. It is very important that you double check the name of the **course** and the **teacher** before making purchases. The course and teacher name should match exactly with the information found in **Jupiter Grades**. There are some courses taught by different instructors who may have different supply lists. If you do not see a class listed, please contact the instructor through **Jupiter Grades** to request the supply list directly.

IMPORTANT NOTE: We do not wish for financial hardship to be a barrier to any students' experience at Unity. Please reach out to any of the following staff members should there be a need for financial support. This information will be kept confidential.
