

Unity's 2021-2022 Vacation Calendar for Students and Families

- The table below provides the days of the year in which students will not have school.
- In addition to the dates listed below, there will be at least three additional days during the year in which students will not have in-person learning. During these days, students will participate asynchronously from home as our staff participate in training. These additional dates will be announced in late July.
- We will follow suit with the New York City Department of Education next year in providing remote classes on days in which in-person learning is cancelled due to inclement weather. Additional details on how these days will be structured will be provided this fall.
- We will hold information sessions, orientation for families and students, and other fun events as we kick off the 2021-22 school year. The dates for these events will be announced in late July.
